## Children Well-Being and Outdoor Learning

2020-1-FR01-KA226-SCH-095420

### **Transnational Project Meeting in Greece, Mykonos - (17 -18 September, 2021)**

After presentations of local activities implemented at schools, the consortium discussed about the next mobilities, local, transnational major events and defined the work on the project's virtual platform and setting deadlines. Partners discussed afterwards about the work done on O2. Finally, have been discussed the things related to the legal issues and budget, planning of local activities at schools and dissemination of the project's outputs. (See the Activity programme on Annexe 1)
